### Directive on Digital Cable Television Broadcasting System

As agreed during the consultation meeting held on 5<sup>th</sup> June, 2018 on the Standards for operation of Digital Cable Television Broadcasting System, the Authority adopts this standard with effect from 8<sup>th</sup> June, 2018. The Authority directs that all cable operators, providing digital cable television service or wishing to do so, shall adopt the European standard (DVB-C2) using Conditional Access System (CAS) for establishing the digital cable television broadcasting system with immediate effect.

Beginning with Thimphu Thromde, where digital cable television broadcasting system has already been initiated, the simultaneous casting of both Analogue and Digital cable television service shall only be allowed till 31<sup>st</sup> December, 2018. The Authority declares that the Analogue Switch over (ASO) for Thimphu Thromde shall begin from 1<sup>st</sup> January 2019 by going 100 percent digital.
