NOTIFICATION

This is to bring to the notice of all Licensed Cable TV Service Operators that the Authority has received complaints for excessive charges imposed by the cable tv operators as initial installation fee for cable TV connection. As per rules and regulations of operation of Cable Television Service, while the licensee may levy the one-time installation charges to the subscribers as approved by the Authority, the licensee shall not levy the installation fee if the new customer occupies the same place or if it is within 100 meters from the nearest distribution point.

Therefore, the Authority informs all cable TV Operator licensees to strictly adhere to this notification, failure to which, the Authority will impose penalties as per the Regulations of Operation of Cable Television Service and the Information, Communications and Media Act of Bhutan 2018.
