### Public Notification on Revision of Cable Television Tariff

The Bhutan InfoComm and Media Authority (BICMA) hereby notifies the general public and all Cable Television (CaTV) service providers that the Authority has finalized the revision of the monthly charges for CaTV services.

Based on a detailed costing analysis carried out by the Authority, and taking into consideration factors such as the varying customer base, simplification of the billing system, fair pricing for all cable operators, and the need to avoid confusion among customers across different locations, the Authority has determined a **uniform ceiling tariff** for CaTV services.

Accordingly, the **monthly charge for CaTV services shall not exceed Nu. 286 (excluding taxes)** per subscriber. This revised tariff shall be **applicable to all cable operators irrespective of subscriber base** and shall come into effect from **January 1, 2026**.

All licensed CaTV operators are required to comply with the revised tariff as determined by the Authority. The public is also advised to report any instances of non-compliance to BICMA.

For any further information and clarification kindly contact BICMA @ 02 321506/07 or email to [bicma@bicma.bt](mailto:bicma@bicma.bt) or visit [www.bicma.gov.bt](http://www.bicma.gov.bt).
